

THE DAILY SUN: GAINESVILLE, FLORIDA, AUGUST 19, 1905

SENATE PASSES TAX BILL.

Georgia Legislature is Very Busy at the Close of Session.

Atlanta, August 18.—Exactly as reported to the senate by Senator A. O. Ballock, chairman of the finance committee, and substantially as reported to the house by Chairman Wise, of the ways and means committee, the general tax act was passed by the senate Wednesday and immediately transmitted back to the house for concurrence in several amendments.

Few changes were made in the bill as passed by the house. The senate reduced the tax on dispensaries, bar rooms, clubs and foreign breweries from \$100 as passed by the house, to \$60. This is an increase of \$100 over the tax on these concerns last year.

The anticipated fight on the graduated occupation tax on foreign corporations did not develop in the senate, and the section relating to these corporations was adopted as passed by the house.

By unanimous consent upon request of Senator Hand, the house resolution providing for the increase in salaries of the governor, supreme court judges and superior court judges was taken up immediately after the passage of the tax act and unanimously passed by the senate.

This resolution provided for the increase in the salaries of these officials which was not provided for in the appropriation bill last year.

In the House.

As Wednesday was the last day on which a bill could be passed by the house and go through the senate, many members made efforts to get their bills through, but few succeeded; and only three or four measures of consequence were passed.

The important measures put through by the house at the morning and afternoon sessions included the Jenkins bill to appropriate \$76,000 to install a new waterworks system at the state sanitarium; the McMichael bill, providing that the net convict hire which goes to common schools shall be remitted direct to the county school commissioners so as to save county treasurers' fees; the Calvin bill to exempt "oats" from the operation of the boll weevill law and the Candler resolution, providing for a commission to sit during the recess to investigate and report as to a revision of the state tax law.

Less than an unqualified recommendation. Price \$1.00. Sold by W. M. Johnson."

Guard Charged with Manslaughter.

Cartersville, Ga., August 18.—The coroner's jury which passed on the death of the negro convict, Liddell, who died after a whipping by Deputy Warden J. W. Tierce, severely criticizes Warden Jake Moore for his statement exonerating Tierce from any criminal action in connection with the whipping. The jury has put Tierce under \$5,000 bond for manslaughter, and Dr. Vaughan, the camp physician, under \$300 bond on account of alleged connection with the case. The members of the jury say Warden Moore did not make much of an investigation, and they have called on him for the names of the physicians reported to have said that Liddell died of the bursting of a blood vessel. The community is much stirred up over the affair.

Georgia Mayors in Session.

Griffin, Ga., August 18.—The League of Georgia Municipalities meet at Griffin Wednesday under the most pleasant auspices. The business meetings of the league are to be held in the large ball room of the Commercial club rooms and those who have been in rooms have pronounced them the most convenient and coolest ever provided for a meeting of the Georgia mayors. It is a popular name here to call the meeting that of the Georgia "mayors," and by that name they are known here. The entire arrangements for the entertainment at the visit of these distinguished Georgians pleased the visitors very much, and the session has already given promise of being the most interesting and instructive of any yet held in the history of the league.

Public is Aroused.

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters of 548 St. Clair Ave., Columbus, O., writes: "For several months I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at all drug stores; price 50¢.

Red Men to Meet at Nashville.

Nashville, Tenn., Aug. 18.—It is officially announced that the annual national meeting of the Order of Red Men will be held in Nashville, on Sept. 11-17 unless yellow fever appears in this city. Reports had gone out that because of yellow fever in the south the meeting would be held in some other city. Nashville is considered immune from the disease, there never having been a case originating here.

Another Good Man Gone Wrong.

He neglected to take Foley's Kidney Cure at the first signs of kidney trouble, hoping it would wear away, and he was soon a victim of Bright's disease. There is danger in delay, but if Foley's Kidney Cure is taken at once the symptoms will disappear, the kidneys are strengthened and you are soon sound and well. A. E. Bass of Morgantown, Ind., had to get up ten or twelve times in the night, and had a severe backache and pains in the kidneys, and was cured by Foley's Kidney Cure. J. W. McCollum & Co.

Amsterdam, August 18.—A telegram received from Batavia, British East Indies, reports an ugly outbreak of Achinese rebels, who attacked the Dutch post at Ramboen, killing two officers and 22 men. Only six men of the post succeeded in escaping, and these were wounded.

Bergen, Norway, August 18.—The arctic steamer Terra Nova, which under command of Wm. Zeigler, secretary of the late William Zeigler, rescued Anthony Flala and other members of the Zeigler polar expedition, sailed today for London.
